

ID Plus PROGRAM

ID Plus: First-class customer support for life!

When you choose ID Security Online, you get peace of mind knowing that an ID expert will offer you personalized support at all times. We back this promise with a unique program called **ID Plus**.

1. WHAT IS ID Plus?

ID Plus is a unique program designed to protect your ID card printer investment by giving you all the tools that you need to run a smooth ID card program.

- ⊕ **Superior Customer Support on all items**
Do you need help with your ID card system? We got you covered for life! Call us at **1-800-897-7024** whenever you need it and get answers fast!
- ⊕ **Warranty and Non-Warranty Repairs**
If your printer is under warranty, we will fix it at no charge! Beyond the warranty period, we will service your printer at the best rates of the market.
- ⊕ **Certified Repair Center**
ID Security Online is a certified repair center for all major card printer brands. We stock all parts to fix your printer fast and minimize downtime.
- ⊕ **Loaner Program**
If your printer is under warranty, we will send you a loaner printer at no charge until yours is fully operational at your location.
- ⊕ **Extended Warranty Programs**
Extended warranty contracts of one, two and three years are available at unbeatable prices. All warranty contracts include parts, service, and labor.

2. HOW CAN I BENEFIT FROM ID Plus?

When you place an ID card printer or photo ID system from us, you automatically qualify for our **ID Plus** program.

3. HOW MUCH DOES ID Plus COST?

The program is completely **FREE** and you get toll-free support, free warranty repairs and unbeatable rates on out-of-warranty repairs.
